§ 301c. Incentive pay: submarine duty

(a)(1) Subject to regulations prescribed by the President, a member of the naval service who is entitled to basic pay, and (A) holds (or is in training leading to) a submarine duty designator, (B) is in and remains in the submarine service on a career basis, and (C) meets the requirements of paragraph (3), is entitled to continuous monthly submarine duty incentive pay in the amount set forth in subsection (b).

(2) Subject to regulations prescribed by the President, a member of the naval service who is entitled to basic pay but is not entitled to continuous monthly submarine duty incentive pay under paragraph (1) is entitled to submarine duty incentive pay in the amount set forth in subsection (b) for any period during which such member performs frequent an regular oper-

ational submarine duty (as defined in paragraph (5)) required by orders.

(3) To be entitled to continuous monthly submarine duty incentive pay through 26 years of service (as computed under section 205 of this title, but excluding, in the case of an officer, periods as an enlisted member before initial appointment as an officer), a member must perform operational submarine duties for at least 6 of the first 12, and at least 10 of the first 18, years of his submarine service. However, if a member performs the prescribed operational submarine duties for at least 8 but less than 10 of the first 18 years of his submarine service, he is entitled to continuous monthly submarine duty incentive pay for the first 22 years of his service (as computed under section 205 of this title, but excluding, in the case of an officer, periods as an enlisted member before initial appointment as an officer).

(4) If upon completion of either 12 or 18 year sof submarine service it is determined that a member has failed to perform the minimum prescribed operational submarine duty requirements during the prescribed periods of time, his entitlement to continuous monthly submarine duty incentive pay ceases. If entitlement to continuous monthly submarine duty incentive pay ceases upon completion of 12 years of submarine service, entitlement to that pay may again commence upon completion of 18 years of submarine service if the minimum operational submarine duty requirements have been met, and such pay shall continue for the period of time prescribed in accordance with this section. However, if entitlement to continuous monthly submarine duty incentive pay ceases in the case of any member at the completion of either 12 or 18 years of submarine service or 26 years of service (as computed under section 205 of this title, but excluding, in the case of an officer, periods as an enlisted member before initial appointment as an officer), such member shall be entitled to that pay in the amount set forth in subsection (b) for the performance of subsequent operational submarine duty, or for the performance of service as a member of a submarine operational command staff, if such member’s duties require serving on a submarine during underway operations.

(5) In this section:
